

Activities at Playgroup

Dear Parents

Our topics for the period 19th Feb to 29th March are:

Continuing with different colours and numbers 6-10, children's interests and seasons
Please let us know of any new interests your child may have.

The areas we will be covering are:

Naming and mixing colours.

Board games involving colours and counting.

Feeding the birds

Threading and peg boards.

Using scissors.

St David's Day (1st Mar), St Patrick's Day (17th Mar), World Book Day (1st Mar)

Mothering Sunday -11th March - saying thank you.

Easter.

We will be learning the following songs and rhymes:

Incy wincy spider.

2 little dicky birds

I can sing a rainbow.

Chick, chick, chick chick chicken

Chook, chook, chook, chook, good morning Mrs Hen,

and our favourites which at the moment seem to be "10 green bottles",

"Sleeping Bunnies" and other animals, and "Baa, baa black sheep."

You might wish to explore these topics at home, or when you are out and about. We suggest:

Naming colours in the environment.

Colouring your "Colourful Clown" picture. Perhaps you could bring it in to show us. Looking at flowers coming out or fading, and hedges sprouting. You could pick some twigs and watch them come out indoors in a vase of water.

Please continue to help the children to bring in something of the appropriate colour each week. This has been very successful so far, so well done!

How many birds did you see during half term? Perhaps you could bring the results in to show us?
